

REMARKS

Claims 10-18, 20-22, and 24-26 remain in this application. Claims 10, 20-22, and 24-24 have been amended, and claims 1-9, 19, and 23 have been cancelled. Applicants respectfully request reconsideration of the rejections and further examination of the application in view of the following.

Allowable Subject Matter

Applicants thank the Examiner for recognizing the allowable subject matter of dependent claims 20 and 24. In order to advance prosecution, Applicants have rewritten claims 20 and 24 in independent form, including all limitations from the claims from which they depend. Claims 21-22 are amended to depend from allowable claim 20, while claims 25 and 26 are amended to depend from allowable claim 24. Accordingly, Applicant respectfully requests allowance of claims 20-22 and 24-26.

Moreover, Applicants have amended independent claim 10 to include the allowable feature of claims 20 and 24. Applicants respectfully submit that claim 10 and the claims that depend therefrom are now allowable.

Applicants have cancelled the remaining claims without prejudice and without acquiescence. All remaining rejections are moot.

CONCLUSION

For the above reasons, the foregoing amendment places the Application in condition for allowance. Therefore, it is respectfully requested that the rejection of the claims be withdrawn and full allowance granted. Should the Examiner have any further comments or suggestions, please contact Bobby Slaton at (972) 477-1497.

Respectfully submitted,
